Dear Sir / Madam

Meherbai Tata Memorial Hospital Jamshedpur has 4 vacant management seats for DMLT program. We are offering Government fee rates to candidates who are desirous of taking up the course. We will prefer candidates who have qualified the entrance exam conducted by the state board, but have failed to get a seat either due to nonavailability / undesirable locations. We request you to forward this information to such candidates. As indicated for Nongovernmental Institutes, we shall conduct exam formality before admission to create a merit list and admit as per vacant seats for the upcoming session.

Regards

Dr Vanita Pandey
